

### **EMOJIs and the Gospel of John – Chapter 6 questions**

Start by reading the Introduction to John chapter six on page 42.

Would you rather go to a party that is packed with everyone you know and their friends, or have a night where it was just you and some friends could hang out and talk, like at a bon fire?

Jesus was about to do the impossible. Before he does, notice that the crowd is starting to follow Jesus. Read 😲 John 6:1-2. Why was Jesus starting to become so popular?

After reading John 6:3-13 and then read the study note for 📌 John 6:10, as well. Did Jesus really only feed 5,000 people? Why or why not?

Read 🤔 John 6:14-15 and the note that goes with it. Jesus has done the impossible, feeding (most likely) twice as many as the 5,000 that he was credited with feeding. Continue reading John 6:16-21 and the notes for 🗨️😊 John 6:20. Jesus reassures the disciples and then tells them not be afraid. The term “Be not afraid” can be found 365 times in the Bible. It is a daily reminder that outside of God, we have nothing that needs to cause us to fear. Be honest with yourself right now. List five things (more if you would like) that cause you fear or that cause you to be afraid:

This will be a little longer passage to read, but continue with John 22-37. 📌 John 6:35 finds Jesus sharing the first of seven “I Am...” statements. When you read the verse and the note that goes with it, you can see the other six times he shares “I Am...” and in this case, Jesus states, “I Am the bread of life.” What does that mean and what does this mean to you?

🗨️ Read John 6:38-40. In Jesus’s words, He shares “HOW” to be saved. Share how this took place in your life. If you haven’t taken this step, or are unable to share, take the time to talk about these verses with someone you know is a believer, and ask them to explain how this took place in their life. After hearing their story, and, if you are ready, make this a step that you take, too!

Finishing reading the chapter starting at John 6:41. 🗨️ John 6:67-69, Jesus has a conversation with Peter. He asks Peter if he wants to leave. Peter shares with Jesus why he doesn’t want to leave. What does he share with Jesus? Also, if Jesus were to ask you, “Who am I to you?” what would your answer to him be?
